

Volunteer with “The Fraud Squad”

Seniors are paying the price - but you can help stop the losses

Real voices. Real scams. Real impact

WHAT IS THE FRAUD SQUAD

We are a team of **AmeriCorps Senior** volunteers who bring real scams to life through short, expressive, emotionally charged scripted skits — designed to **educate and engage our peers** on how to *recognize, resist, and report fraud* ***No memorizing. No acting experience. Just a desire to protect others like you.***

WHAT YOU’LL EXPERIENCE

Support every step of the way — training, scripts, peer support and encouragement
Confidence through practice — no pressure, just guided preparation that works
Gratitude from your audience — they’ll laugh, nod, and often thank you afterward
A sense of fulfillment — because what you’re doing truly matters

WHY IT MATTERS - to You

A sense of purpose: You’re protecting others — and it matters
A sense of connection: You’re not alone. You’re part of a team
A sense of impact: Someone walks away safer because of you
.....and it’s emotionally rewarding to boot!
Because nothing feels better than knowing
you made a difference

WHAT TO EXPECT

Seasonal performances only — spring and fall sessions.
Local venues — senior centers, housing communities usually within 10 miles of your home.
Flexible scheduling — we work around your availability.
You bring your voice, your time, and your heart
