

Stetson School Community Giving Fund Guidelines

Stetson School Community Giving Fund of \$10k annually will be given in up to \$1,000 grants to nonprofit organizations, municipalities, or other community initiatives within the Town of Barre and/or other towns located in The Quabbin Regional School District that support community social good. Individuals or families are not eligible to apply.

Student Council members at Stetson School will review and score all applications and recommend funding in two cycles annually, April and November with deadline for applications to be received the fifteenth of the previous month (March 15 and October 15).

This unique educational program of Stetson School helps students learn about the local community and the needs of its citizens. The intent is to teach empathy, and respect for others in the local community. Students will learn about philanthropy and the grant making process as well as how to evaluate the effectiveness of programs and outcomes.

Applications can be downloaded on the Stetson School website at <http://www.sevenhills.org/affiliates/stetson-school>.

For questions, please contact Andi Balsler at 978-355-4541 ext. 4110 or abalsler@stetsonschool.org.

Applications should be completed and mailed to:
